

TB0043 New STEELBRO Insignia Decal

Date: 17 January 2006

Please note that effective 1 February 2006 all manufactured STEELBRO Sidelifters will be fitted with a permanent STEELBRO decal on the top arm of the cranes.

The decal is made of Aluminium and is 594mm long x 114mm wide as shown below.

Models Affected:

The decal will be fitted to all the models of sidelifter in all markets.

Truckmounts	Sidelifters	Trombone Sidelifters	Toplift Frame
SB040	SB121	SB330	TLF2040
SB121 - Demountable	SB330	SB360	TLF20
SB180	SB360	SB361 (still to be developed)	
SB250	SB361		
SB300	SB401		
SB330	SE400		
SB361			

This decal is DE-35650 and is available for retro fitting as a spare part through our Parts department.

The new decal means that all of our units will be permanently and clearly branded, strengthening brand recognition and value.
